I give my child/ren permission to walk to Gollan Park on 22 Tucabia St, South Coogee NSW 2034 on the dates listed in this program. (28/9/20 - 9/10/2020)

The walk to the park may also take place on any other day during the school holidays at the discretion of South Coogee OOSH staff.. This may be due to weather restrictions and children's requests.

The purpose is to change the scenery for the children and to support the program. The children will be enjoying the monkey bars and a large patch of natural grass and shade to enjoy. We will be taking some of our resources for children to use as well.

I understand there will be Storypark community posts notifying me of these changes on the day. Times may vary and will be listed in the post.

I understand that the educator to child ratio will be 1:10.

I understand there will be approximately 40 children with 4 staff and the visit may be 1-2 hours long

I understand there is a risk assessment prepared for this excursion and is available at the service.
