- Nomination General Exec – Marcus Fillinger, Seconded Kirsty Marsden
- Nomination General Exec – Jane Holloway, Seconded Mel Bramich

Close AGM at 7:10pm and open general meeting with an Acknowledgement of Country.

Appendix A: Presidents AGM Report (Helen)

Welcome everyone to our AGM! I'm Helen, and I am *currently* the President of the P&C Association... for about another two minutes, so I'm soaking up every last second of glory while I can!

I've been part of the P&C Executive team in all sorts of roles since 2021, and President since 2023. And before I officially hand things over, I really want to shine a light on our incredible volunteers and the genuinely rewarding work the P&C does for our school.

Over the last few years, the P&C has made a massive impact—not just financially, but in building that special South Coogee community that we all love. We've raised *hundreds of thousands of dollars* (yes, really!) during my time on the committee, and that money has turned into so many amazing things for our kids: play equipment, bathroom artwork, Chromebooks, readers, numeracy resources, band camps, dance costumes, classroom

supplies, the outdoor kitchen, new bubblers—and definitely a few things I've forgotten but promise were equally impressive!

We've also executed our regular events like a well-oiled machine: Grandparents Day stall, Easter cake stall, Book Parade stall, Musicale, and of course the Mother's and Father's Day breakfasts.

And because we're nothing if not ambitious, last year we also added a plate-painting fundraiser, scored grants, met with politicians, built momentum for the sustainability hub, hosted a Year 6 disco, ran a Decades-themed trivia night, and wrapped it all up with a Twilight Cinema and auction. Not bad for a quiet year.

The amazing uniform shop led by the equally amazing Kylie and Candy is such an asset to the school.

I think we'd all agree that the South Coogee community is something pretty special—and being part of it has been a genuine privilege for me. Our events *always* need volunteers, so I'm putting the call out: think about what you can contribute this year.

Ask not what your school can do for you—but what *you* can do for your school.
